Meeting Objectives:

At the end of this meeting the Local Emergency Planning Committee will have furthered collaborative planning processes and information sharing, to become part of the effort to reduce risks from hazardous material events, through coordinated planning, training, and education, and to promote and enhance emergency preparedness capabilities across the county through:

- Creating and maintaining impactful relationships and partnerships before incidents occur.
- Facilitating communication, information and resource sharing.
- Promoting situational awareness among the members of the Local Emergency Planning Committee and the communities it serves.
- Strengthening emergency preparedness capacity and capabilities.
