Still have questions about what is considered an “essential business” as identified in the Governor's stay-at-home order? A Frequently Asked Questions (FAQ) page has been added to the Governor's website. Please visit <https://governor.kansas.gov/kansas-essential-functions-faq/> to help find the answers you are seeking.

We still strongly encourage all citizens to stay home if you have that option. Rediscover your family; binge watch that show you've been meaning to check-out; introduce your kids/grandkids to your favorite board game. The best way to end this is for people to follow state and local orders and recommendations. Your help matters!
