

## Pottawatomie County Community Daily Update

Pottawatomie County, Kan. (April 21, 2020) — Your safety, health, and security is our top priority.

Positive COVID-19 Cases in Kansas: 2025

Deaths in Kansas: 107

Cases in Pottawatomie County: **Six (6), 5-recovered; 1-self isolation**

Today's update includes information from the Kansas Department of Health and Environment (KDHE). They report that statewide, they are monitoring 39 case clusters in the state. A "cluster" is where two or more positive cases result from the same exposure event. These clusters include 14 long-term care facilities; 2 group living facilities; 5 church gatherings; 1 correctional facility; 2 healthcare facilities; and 15 private companies.

Pottawatomie County currently has one active case, as mentioned above, two tests that are pending results, and we have performed 123 tests total.

With so much going on in the state, you may have missed some of the latest information from Governor Kelly. To find out what's been happening, view her press releases at <https://governor.kansas.gov/newsroom/press-releases/>. Here you will find information about recent appointments, Executive Orders, getting Personal Protective Equipment (PPE) to medical staff, and more information about the Stay-At-Home order.
