Our neighbor to the west is offering two free COVID-19 testing events later this week. The Riley County Health Department, partnering with the Kansas Department of Health & Environment and the Kansas National Guard will host COVID-19 testing events in City Park, 11th & Poyntz Avenue, on Friday evening from 5:00 – 7:00 PM and Saturday morning from 9:00 – 11:00 AM. Please enter the park from Fremont Street, near the Wefald Pavilion. No appointment or doctor’s referral is necessary to participate.
