- I understand that the services will remain in my name, but the bill will be sent to the renter. I agree that if the renter fails to pay for the services, or if charges are incurred by reason of a bad check or otherwise, I will be responsible for payment for such charges and services if the renter does not pay the same. I understand that the renter's failure to pay for the services will create a lien against the property if the bill is not paid.

- I understand that it is my responsibility to notify you if there are any changes to the services.
- If signed by a rental agency, I certify that I have the authority to sign on behalf of the owner of the property.
